Air Link International Aviation College is situated in the heart of Domestic Road, Domestic Airport, Pasay City, Metro Manila. As an institution of Higher Education, it exemplifies ardent desire to promote the Economic, Social and Technological advancement of the nation as a whole – through High Quality Education.

As a premier Center for Aviation Education, Air Link International Aviation College has continuously expanded its physical facilities, training equipment and academic programs, which are relevant to the needs of the country, had been included in our curricular offerings. In keeping with the times, we have consistently upheld the commitment of our founders to serve the Filipino people through Quality Education and shall continue to do so in the years to come.

PHILOSOPHY

Air Link International Aviation College is determined to emphasize our highest ideal: to promote the social, moral, economic and technological development, not only of the individual but also of the nation as a whole. In line with this attitude, the institution espouses: ACADEMIC EXCELLENCE, VALUES MANAGEMENT, EFFICIENCY AND EFFECTIVENESS, SAFETY AND TECHNOLOGICALLY BASED QUALITY EDUCATION.

As a Service-oriented institution, we give importance to the mandated obligations of the institution to provide Quality and Excellent Instruction, Research and Development as well as Extension Service for our less fortunate brothers and sisters, when needed. With these in the forefront of our goals, we, in this institution have produced and will continue to produce:

C – creative
H – humane
A – active
M – morally upright
P – physically fit
I – intellectually alert
O – output oriented but safe
N – nationalistic
S – students

MISSION/VISION

1. To integrate Academic Instructions with technological skills to form a continuous pattern of advancement towards relevant career objectives.
2. To further the reputation of this institution as a Premier Center of advance learning in the field of Aviation, Aerospace and other Allied Services.
3. To contribute to the national agenda towards improving Higher Education and Vocational Training as the key to sustainable economic growth.
4. To equip our graduates with knowledge and skills in order to mold him/her to be an industry competent professional.
5. To inculcate in our graduates a deep sense of values with high respect for human welfare, justice and equity.
6. To provide our graduates with an entrepreneurial spirit to become industry and community leaders.
